Was a commercial product promoted? (Y/N) If yes, did you feel that product promotion was the sole purpose of the course?

No.

Was anecdotal evidence the primary source of information? (Y/N) No but anecdotal information appropriate & helpful.

What was the greatest strength of the class? Instructor was very knowledgeable

in all aspects of this program. Great communication of ideas/ concepts - easy to understand, patient. Best CEU class I've taken since becoming a PTA (8 yrs)

Nothing! Amazing class - amazing instructor would like to have more time to work under his instruction.
